

Dunblane Bowling Club

Appendix F

(Updated: August 2020)

Smoke-Free Policy

Purpose

This policy has been developed to protect all members, employees, service users, customers and visitors from exposure to second-hand smoke and to assist compliance with the Smoking, Health and Social Care (Scotland) Act 2005.

Exposure to second-hand smoke, also known as passive smoking, increases the risk of lung cancer, heart disease and other illnesses. Ventilation or separating smokers and non-smokers within the same airspace does not completely stop potentially dangerous exposure.

Policy

It is the policy of Dunblane Bowling Club that all our workplaces are smoke free and all employees has the right to work in a smoke-free environment. The policy shall come into effect on 26th March 2006.

Smoking is prohibited throughout the entire premises with no exceptions. This policy applies to all members, employees, consultants, contractors, customers and visitors.

An external area has been designated for smoking which complies with the law.

Implementation

Overall responsibility for policy implementation and review rests with the Club Secretary.

All staff, members and visitors are obliged to adhere to and facilitate the implementation of the policy.

The person named above shall inform all existing employees, consultants and contractors of the policy and their role in the implementation and monitoring of the policy. They'll also have to give all new personnel a copy on recruitment/induction.

Appropriate 'NO SMOKING' signs will be clearly displayed at all entrances to and within the premises.

Non-compliance

Local disciplinary procedures should be followed if a anyone does not comply with this policy.

Help to Stop Smoking

Support for smokers who want to stop will be provided by Health Centre, Well Place, and Dunblane.

Sources of support are; Smoke line 0800 848484, Visit gosomefree.co.uk, the Public Health Dept. of your local NHS Board. Contact details can be found in your local directory
