

Dunblane Bowling Club

Newsletter 6th April 2019

Welcome to the first edition of the 2019 DBC newsletter!

It's hoped to distribute this by email regularly throughout the season to keep members up to date with what's happening at the club.

You're receiving this because the committee has your email address. Be assured that your details will not be shared outside the club.

We don't have the email address of everyone in the club, so if you know of anyone not receiving this email, please ask them to send their email address to newsdbc@talktalk.net.

Feedback on the newsletter warmly welcomed as well as any suggestions for topics to be included.

We are sad to be using the first edition of the newsletter to record the recent death of the club's Honorary President, Alan Davidson, who died on 6th March.

Alan worked tirelessly on behalf of Dunblane Bowling Club and was actively involved in bowling around the Stirling area.

Our sympathies go to Alan's wife Mary and her family on their sad loss.

Opening Day!

The 2019 season kicks off on Saturday April 13th at 2pm.

Do come along to support the new committee, celebrate the start of a new bowling season and get back into the swing of things with the game on the afternoon.

Gents' President	Les Campbell
Ladies' President	Joan Russell
