Finals Weekend Results

Despite persistent rain for part of Saturday, and an occasional shower on Sunday, club finals were successfully played last weekend.

Congratulations to all our winners, especially Carol Thomson who won four of the six competitions she was in, including the ladies' singles club championship; and also to Ronnie Wright with a clean sweep of all the gents singles competitions.

Many thanks to Pat Philpot and Charlotte Candlish for organising the weekend, to Jim Paterson for being the ever-present umpire, and to the team who staffed the bar.

You can read the results below.
