

Dunblane Bowling Club

Newsletter, 27th November 2021

An enjoyable prize-giving evening was held in the clubhouse on 16th October. The picture shows some of the prize-winners. A full list of 2021 winners is on the 'Bowling & People' page of the Club web site. Thanks are due to Pat Philpot, Adam McQue and Dougie Robertson for organising the evening.

A number of improvements to the clubhouse are currently being carried out. New LED lighting will be installed early next week, the ceiling in the main part of the clubhouse has been painted and early next year solar panels will be installed, greatly improving the club's energy usage. Improved external lighting will also be added. The Club is also legally required to install a fire alarm system, and this will go live within the next few weeks. More information on all of these projects at the AGM.

A salt box is now in place in the car park near the foot of the stairway. Please use the salt on the path and the stairs in icy conditions.

The AGM for the 2021 season will be held in the clubhouse on Friday 4th February at 7.30pm. Papers for the meeting will be emailed or posted out in early January.

A reminder of the prize bingo evening being held in the clubhouse this coming Thursday, 2nd December, at 7 for 7.30pm.

Pat Philpot would appreciate any donations of prizes, or cash donations to enable prizes to be bought. If you are able to help please contact Pat on 823 639 by Monday.

Thinking of buying a new set of bowls and not quite sure what to buy?
