

Dunblane Bowling Club

Newsletter, 16th August 2021

Finals weekend

This coming weekend, Saturday 21st and Sunday 22nd, is finals weekend. Members are invited to come along to support those who have won through to the finals of the various competitions. The timetable for the weekend will be emailed out toward the end of this week. Many thanks to members who have made the extra effort to play their ties within the limited time scale available.

Peter Nairn Triples

Winners of the Peter Nairn triples competition, held on 7th August, were Charlotte Candlish, John Boland and Connor Jackson. Runners up were Esme Notman, Andy Burn and Les Campbell. Many thanks to the extended Nairn family for organising this very enjoyable day.

Napier Rosebowl

Congratulations to Mary Davidson, Margaret Stewart, Esme Notman and Joan Russell who won the Napier Rosebowl, played on 1st August.

Juniors

Kai Jackson just failed to qualify for the Central West Young Bowlers National Qualifier, held at Dunblane on 1st August, losing to the ultimate winner, Ami Thomson of Alloa East End, in the semi-final.

This was the last of three qualifiers held at Dunblane over recent weeks and David Ferguson, Convenor of CWYB, expresses thanks to Dunblane for hosting the events, to all the helpers and markers, to Jimmy Paterson for umpiring and to Les Campbell for presenting the prizes. Thanks, too, to Michael Barton for organising all three events.

We are pleased to welcome new members David Allen and Henry Meldrum.

There are plans to produce a commemorative book to mark the 200th anniversary of the Club next year. If any members have old photographs which may be suitable to include in this book, please contact Mary Davidson.

The committee has invited Donald Dawson and Keith Brown to become honorary members of the Club in recognition, and appreciation, of their dedication to maintaining the green to such a high standard over many years. Both Donald and Keith have accepted this invitation with gratitude.

A reminder that Scottish Water are due to begin excavation work in the Club car park this Wednesday, 18th August.
