Back to some competitive bowling

With phase 3 of the lockdown easing now in place, there are more opportunities for organising bowling on an internal basis - if we haven't all forgotten how to play, that is.

So we hope that an informal, two-bowl, mixed pairs competition - with prizes! - running over the next few weeks will entice you back to the green. It will be run on a round-robin format, guaranteeing several ties for everyone.

'Mixed' means a pair being made up of man and lady, or two men, or two ladies.

Please register to take part by emailing the club email address - dunblanebowlingclub@btconnect.com. You can register as a pair or, if you haven't been able to fix up a partner, as an individual. For those who register as individuals we will make a draw to match you up with a partner.

Please register by Wednesday, 22nd July.

Further details will be announced once we see the number of members who have registered.

It is with sadness that we have to record the death of George Woodford, a member of Dunblane Bowling Club since 1989.

In recognition of his long association with, and service to, the Club George was made an honorary house member.

Our sympathies go out to his wife and family.

Five of our youth members, having reached the age of 18, are now adult members. It's great to have

Alex Christmas
Kyle Middleton
Louis Ross
Cameron Tully
Harry Tyler

continuing their association with the Club.
